Name: Kim Rogan

Position: Administration Manager

History: Joined Bagot Press in 2003.

All Bagot Press clients would have spoken to our helpful Administration Manager, Kim Rogan. Commonly known around Bagot Press as the "Jill of all Trades". Kim's extensive knowledge of MYOB and accounting procedures together with her 27 years administration and organisational skills are valuable company assets. When asked what aspect of the job is the most challenging, Kim without hesitation says "Assisting clients promptly with their enquiries and making sure requests are dealt with expediency."

Kim is very proud of her two teenage children, Krystle, 19 and Justin, 16 years of age. Kim has the same gripe as most working parents, "never enough time for herself". Kim enjoys reading, the occasional dining experience and holidays.

Bagot Press carries a full range of tablet cartons, ointment jars and plastic phials for all pharmacy dispensing needs.

From 15fl cream jars, plastic phials through to clear and amber plastic and glass bottles and a select few white tablet bottles.

The full range of tablet cartons features 8 different size cartons that are a favourite with pharmacists because they are white inside and out, flexible, and meet the requirements for packaging tablet prescribed dosage.

A PENNY FOR YOUR THOUGHTS....

In spite of illness, in spite even of the arch-enemy sorrow, one can remain alive long past the usual date of disintegration if one is unafraid of change, insatiable in intellectual curiosity, interested in big things, and happy in small ways.
